## FIELD TRIPS CONTINUED

Field trips are subject to change. If a field trip changes, parents or guardians will be notified as soon as the change has taken place. Parents may be required to help cover partial costs of field trips. Field trip money is to be paid on Monday of each week. Campers are welcome to bring extra money for snack/food items, game tokens or souvenirs. **Campers need to arrive no later than 9:00am on field trip days, we will depart at 9:30am.**

## HOW PARENTS CAN BE HELPFUL

**Summer Day Camp is not a babysitting service.** Please impress upon your child that this is a special program designed to meet his/her needs and interests. Cooperation and teamwork are vital for safety and fun. Although we will provide water and/or Kool-Aid for the children during snack times, you may want to send additional water bottles for your child's comfort throughout the day.

## HEALTH REQUIREMENTS

The parent/guardian has a responsibility to monitor the daily health and physical condition of their child and to determine the child's ability to actively participate in the program. If your child has a fever, is experiencing nausea, headaches, intestinal/stomach problems or is ill, it is imperative that he/she stay home for the day where they are more comfortable and return to camp once they are feeling better.

When a child shows signs of illness while participating in the program, the parent/guardian or emergency contact will be notified and they must pick up the child immediately.

All minor scrapes and scratches will be treated by Camp staff and reported to you at the end of the day.

## TRANSPORTATION

Parents must provide transportation to and from camp.

Only during field trips and off site events, will children be transported in a bus or Leisure Services van.

Participants will not be transported by staff in personal vehicles at any time.

## PERSONAL BELONGINGS AND ATTIRE

Campers are responsible for keeping up with their own clothing and personal belongings. Staff members are not responsible for any items brought in by campers. If your child leaves an item at camp it will be placed in the lost and found box in the camp coordinator's office. Please do not allow your child to bring toys, cards, walkmans, CD players or other such items to camp. These items run the risk of being lost, stolen or damaged while at camp and BCLS will not be responsible for such mishaps. Daily games and activities will be planned, leaving very little time to play with other items such as the ones listed above. Campers need to dress for camp daily. Please make sure your child is wearing clothing that is appropriate for outdoor and indoor activities. Campers are required to wear tennis shoes to camp daily, please do not send them to camp in flip-flops, sandals or skate shoes. If we have activities that require different attire or footwear you will be properly notified so you can send additional clothing as needed.

## ALLERGIES AND MEDICATIONS

Please make sure to note all allergies your child may have on the Registration Form that you fill out during sign-ups. Group counselors will be made aware of the allergies of each camper in his/her group.

If your child requires any medication during camp hours, please see the Camp Coordinator. We will need to collect further information and instructions on individual medications for your child.

## DISCIPLINE PROCEDURES

- 1st Offense: Verbal Warning
- 2nd Offense: Time Out / Loss of Privileges\*\*
- 3rd Offense: Written Reprimand sent home to parent/guardian
- 4th Offense: Meeting with parent/guardian / Possible Suspension

All discipline procedures will be documented and placed in the camper's file. The Program Coordinator has the right to suspend a camper without going through all the discipline procedure steps depending on the severity of the offense.

\*\*Loss of Privileges can include Field Trips and Pool Days.

## SITE EMERGENCIES

Any major or life threatening injury or accident that may occur during scheduled camp hours will be handled in the following manner:

1. 911 will be called immediately.
2. The parent/guardian will be notified.
3. Based upon the professional decision of the EMS unit, the child may be transported to the closest medical facility for immediate care.
4. EMS may advise the parent/guardian or Camp Staff on how to treat or care for the child.

In the event of an emergency or natural disaster, the following procedures will be in effect:

1. Children will remain on site until they are picked up by a parent or guardian or someone authorized to pick them up.
2. In the event of a site evacuation, children will be taken to a local emergency center. The location will be posted on the site door. Efforts will be made to contact parents should evacuation be necessary.
3. Day Camp staff will remain with the children until they are picked up.
