MEMORANDUM – ADDENDUM NO. 1

To: Interested Vendors

From: Cindy Clack

Re: RFB2016-2 – 2015 or 2016 Dodge Ram 1500 SSV – Addendum No. 1 (4 Pages Total)

The following information has been submitted for RFB2016-2:

Please make the following edits:

Remove the line “83142 TES 17’ coaxial (for radio)

Remove the line “92556 TES Low profile 800 mhz antenna

(This is due to the county contract with Motorola for vehicle radio installs. Motorola requests that we use their parts per the contract.)

Add to line “SA315P Whelen 100W compact black composite 122DB Speaker (**2 speakers per vehicle.**)”

(The bid request says “2 sets,” but I want to be more specific in that we want 2 speakers per vehicle).

Please see the attached **REVISED** set of specifications and required outfitting (3 Pages).
