Re: RFB2017-18 Burn Building Phase II – Additional Concrete -- Addendum NO. 1

The following question has been submitted for RFB2017-18

Questions:

Is there a Pre-Bid Conference or Site Visit scheduled for this project? I didn't see either on the RFB, but I wanted to make certain. If not, is it acceptable to visit the site anytime for review and photos?

Response:

There is no Pre-Bid Conference or Site Visits scheduled for this project. However, if you want to visit the site location you may do so as long as you do not interfere with an active burn that may be taking place in the burn building. If you have any issues locating the site please call Dorothy Brookshire at 770-307-2987 ext. 0.
