Barrow County
Park 53 South Industrial and Technology Complex – Phase 1 Grading

This Addendum is hereby made a part of the Contract Documents.

Questions and Answers

1. Q: On sheet C3.5 you show the Di#1 & Di#2 Details Which type of Diversion are you requiring for this project?
   A: This project requires two diversion ditches lined with turf reinforcement matting that meets GDOT turf reinforcement matting spec for Type 2, shown on Addendum 2.

2. Q: When do you anticipate this project starting?
   A: We anticipate construction starting at the beginning of August.

3. Q: It appears the site was clear cut and stumps may have been left in place and not grubbed. Can any stumps encountered be grubbed and left somewhere on the county property or do they need to be removed from the park 53 complex?
   A: All clearing and grubbing, including but not limited to removal of brush, trees, and stumps offsite should be included in the base bid.
