MEMORANDUM – ADDENDUM NO. 2

To: Interested Vendors
From: Cindy Clack
Date: 6/19/2017
Re: RFP2017-19 Energy Conservation Services – Addendum No 2

The following requests have been issued for RFP2017-19:

Requests:

- A request has been submitted for an extension of site visits by one week from June 20, 2017 to June 27, 2017.
- A request has been submitted for an extension of the RFP deadline by two weeks from June 29, 2017 to July 13, 2017.

Response:

Barrow County is of the opinion that adequate time has been provided for firms to schedule and set up times for site visits, and that adequate time has been allotted for responding to the RFP. Therefore, both requests for extension of the time for site visits, and for responding to the RFP are denied.
