SUBJECT: Speed Zone Ordinance
Barrow County

Dear Mr. Hayes,

Georgia Department of Transportation has completed the update for ~~the City of Oakwood~~ ^{BARROW COUNTY'S} Speed Zone Ordinance.

Two copies of the updated ordinance is enclosed for your review and approval. Once approved, please forward one signed notarized copy of the ordinance to the Gainesville office listed below for further processing. This copy will be maintained by our office and will be forwarded to the Department of Public Safety for their review and approval.

It is the responsibility of the County to sign all off-system roadways. Speed limit signs and speed checked by detection device signs have to be in place for thirty (30) days prior to radar use. The attached ordinance will go into effect upon approval from the Department of Public Safety. However, the County cannot use any speed detection device until the signing requirements are met.

We appreciate your patience and cooperation in this matter. Should you have questions or require assistance, please contact Jonathan Peavy at (770) 533-8276.

Sincerely,

Jason Dykes, P.E.
District Traffic Engineer
