- ❖ Please refer to our website, barrowga.org, for current fees, rates and policies.
- ❖ Closing statements or lease agreements are required when applying for service.
- ❖ A one-time Service Activation Fee is required before services will be connected. If purchasing a new meter, the total balance is due in full before the meter will be installed.
- ❖ Any outstanding Debt, of the customer applying for service, will also be collected before the connection of new services will take place.
- ❖ There will be a Water Transfer Fee if a current customer is transferring their service from one address to another within the Barrow County Water System.
- ❖ Make sure all plumbing is off inside the home before water is connected. Any damages due to open faucets or leaks will be the responsibility of the customer.
- ❖ Water meters are located in the county right-of-way and must be accessible at all times. Only Barrow County Water personnel are allowed in the meter box. If anyone other than county personnel damages any of the contents, the customer will be held responsible.
- ❖ Bills are mailed out monthly and are due by the 20th of the following month. If a mailed bill is not received, it doesn't relieve the customer from paying delinquent charges.
- ❖ Past due accounts are subject to disconnection. A disconnect fee of \$25 will be added to the account and must be paid in full with all past due charges before reconnection will take place.
- ❖ Payments received after the due date are subject to a \$2.00 or 10% late fee (whichever is greater).
- ❖ If a customer moves, a disconnect notice must be given in writing. The customer will be responsible for all charges on the account until it has been closed.

I agree with the contents of this application and will conform to the policies set forth by the Barrow County Water & Wastewater Department. I authorize service and accept responsibility for the Water/Sewerage bill at the service listed above.
